CONCLUSION

PLAINTIFF CONTENTS HERE THAT WARDEN-SMITH IS THE ONLY OFFICIAL CONCERNED FOR PLAINTIFF'S SAFETY, AND TO STAY IN CONTACT WITH HIS FAMILY.

HOWEVER, DUE TO THE PRISON OFFICIALS HAS CUT OFF ALL CONTACT WITH PLAINTIFF AND HIS FAMILY, WHO CAN PROVIDE FOR HIM THE MONEY, PACKAGES, STAMPED ENVELOPES, LOVE TO REMAIN ALIVE TO DEAL WITH PRISON LIFE, AND NOW, THE "POSSIBLE" 100% OF RETURNING TO THE FREE WORLD OUTSIDE OF PRISON - DUE TO (NEWLY-DISCOVERED) EVIDENCE, IN WHICH (MR. LONELL WRIGHT) PLAINTIFF'S FATHER CAN(ONLY) PROVIDE,

THE SUM OF (\$10,000.00) SHOULD BE GRANTED NOW AGAIN DEFENDANTS FOR ALLOWING SOME PRISON OFFICIAL TO CALL (MR. LONELL WRIGHT), PLAINTIFF'S (ONLY) SUPPORT TOWARD HIS FREEDOM FROM PRISON - TO GIVE (FALSE) INFORMATION OF PAYING FOR PROTECTION WHILE ON LOCKDOWN IN A SINGLE-CELL, KNOWING THIS INFORMATION WAS/IS HUMANLY IMPOSSIBLE.

THEREFORE, (IF) PLAINTIFF IS PAYING FOR PROTECTION WHILE ON LOCKDOWN FOR PROTECTION, WOULD THE PBSP OFFICIALS BE STATING THAT THEY CAN'T PROTECT AN INMATE FROM HARM WHILE IN (A-1-208)? SEE (FARMER V. BRENNAN, 511 U.S. 825, 832 (1994)), THE EIGHT AMENDMENT REQUIRES THAT PRISON OFFICIALS TAKE REASONABLE MEASURES TO GUARANTEE THE SAFETY OF PRISON.

Dear Charles,

Thanks for the very nice touching letter you wrote to me. I was touched by the forthrightness of your letter. It had a real confessional tone to it as well as a tone of acceptance of responsibility for your past sins. I want you to know that I feel very blessed by your letter and for your presence in my life. I am one who believes that all things that happen to us are in some way given to us, and if we are open to the Holy Spirit's guidance, can use them to the glory of God. I do not believe in coincidence. I believe your letter is providence and as we communicate with each other, we will understand better why and how we are to minister to each other.

Your very humble confession of your sins spoke to me. It caused me to look at my sinfulness and the many wrongs I have committed against God and my fellow man. We all have committed sin. God loves a contrite heart and repentant spirit.

You told me a lot about yourself, yet did not mention the crime you committed to land you in prison for twenty-seven years to life. I am guessing it was murder. Regardless of the crime, the important thing to God is that you have confessed and that you have repented. I am also impressed that you have gone to school, completed a GED program and are continuing to study, learning about God, and yourself as related to your fellow human beings.

Charles based upon what you told me, you had a very difficult start and deserved better. Children deserve loving, supportive parents that love them enough to discipline them, to provide them with an understanding of their place in the universe. Based upon what you told me, you did not have that. No one gave you the love and support you needed to achieve in school. No one made you understand that they took delight in you and that God and your parents or significant others were thankful for bringing you into history. A very tough start indeed, yet you have now overcome those very significant impediments. You have disciplined yourself to the tasks of becoming literate, getting to know our loving God and his Son, Jesus Christ. I am impressed with your writing skills and your ability to express yourself in writing. You obviously, have worked very hard to get to where you are today.

Charles, I have spent the last three years in theological Seminary and will be ordained a priest in the Episcopal Church later this year. I, too have had to face my sins and am very fortunate that God's grace saved me. I, by the grace of God, have never been incarcerated and have had a good life, not because I was so god, but because of God's grace. We all fall short. Some of us, myself included, were fortunate enough to have parents, grandparents, relatives and friends to direct us, love us, support us and hold us accountable. Most people have that someone. It seems as though you did not have those special persons in your life. Yet, you have come to grips with those things and you are paying the price. You will be in my prayers.

Thanks for the clasped hands prayer and for generally taking the time to write me and to share your self with me, a total stranger.

Charles, I tried sending you the money. I sent a letter. I later received a phone call from an investigator at PBSP telling me he would return the check to me as it may be sent for the wrong reason. I am enclosing a copy of the envelope that was returned to me for your information.

I hope that you will be able to "turn the other cheek" when attacked for no reason. Pray about it. It is very difficult to do. You will only be able to do so with guidance from the Holy Spirit.

Charles I hope this letter finds you well in every way. Know that I will be praying for you.

Lonell Wright.

Dear Son,

I hope you are well and having a great day. We are all well down this way and grateful for life and health.

I need to apologize to you. Somehow, I have lost your last two letters. I am pretty sure they may have been accidentally knocked into the trashcan next to my desk. I had opened them and left them on the desk for reading the next day. When I realized they were missing and was looking for them, the trashcan had been emptied and the refuse truck had run and emptied the large, outside trashcan. I am very sorry and ask your forgiveness. I know one was postmarked Feb. 11th. Maybe there was only one from you and the one from Charles. I have the one from him.

In your letter of Jan 21st, you asked many questions. I am photocopying your questions and writing answers to them. They are enclosed. I will answer each question as they all are important to me if they are important to you. The ones that require a long answer, I will refer to by number and answer. As you can see from the enclosed, I have answered them all.

Michael, sometimes I get just a little tired of your accusations and insinuations. I try very hard to understand what you are saying in your letters. You say that I am "ALWAYS assuming: What do you mean when you say " 1) that I would receive (2) packages at the same time:"?) This is the direct quote from your letter.

Son, as strange as it may seem to you, I do try to understand and I try to be responsive to your requests. They change rather drastically from time to time and do not quite know what to do. This letter is delayed because I had written some words that would not have been helpful so I have gone back on today (Feb. 29) and eliminated many of them and altered them so that, hopefully, they will be an indication that I really do want to help and I do not want to be a stumbling block to you. You need to understand that I spend a lot of time, energy, and a great deal of money trying very hard to be responsive to you and your many requests. It seems to me that no matter what I do, it isn't enough. Michael, I will just do what you ask. I will not offer suggestions or opinions when what you are asking is not within my power or is outside what I am willing to do for financial or other reasons.. No son, I will not send Mr. Bloom up there. The cost of such a visit would be enormous. If you want him to represent you, find a way to get to him what you want him to do.

Michael, you said you want to be left alone. Is this what you really want? If yes, I will comply. If no, do not tempt me. I may grant your request some day.

You have recently sent me two or three of your "SIR" letters. Please keep them in the future. They do nothing to foster a stronger relationship.

You requested that I send the legal papers you sent back to you. While gathering them, I received three large manila envelopes stuffed with legal documents. Is it your desire that I send those back also?

I sent the check to Charles. The prison authorities sent it back, fearing that you may be paying for protection or some such thing.

A suggestion to save postage; You may consider gathering your thoughts for several days and including them in the same envelope, rather than sending two to four letters in the same week.

Michael, I pray for you every day, that you will be healed and that the inequities you received during your incarceration and trial will somehow be corrected. Be of good cheer and have faith.

Pops.

PELICAN BAY STATE PRISON
ENHANCED OUTPATIENT PROGRAM
ORIENTATION BOOKLET

While there are other EOP Programs throughout the California Department of Corrections (CDC), each one is unique. At Pelican Bay, you will be interviewed by your assigned Primary Clinician within one to three days of your arrival. He/she will present your case at the EOP Treatment Team within fourteen days. The Team will determine your eligibility for the program at that time. The decision to admit or not to admit to EOP is determined by statewide criteria formulated by CDC. Each person's length of stay in EOP is different. Your Primary Clinician will discuss discharge with you at the appropriate time.

2. WHAT HAPPENS DURING THE EVALUATION PERIOD?

From four to fourteen days following your arrival, you will be on "orientation" status. This is a time for you to get settled in your new surroundings and meet the clinical and custody staff. It is also a time when you will get to know the unit routine, as well as the other inmates.

While you are on "orientation" status, you will only be out of your cell for the following reasons: 1) Psychiatric or medical appointments with the unit psychiatrist or yard physician; 2) Clinical interviews with your Primary Clinician or other staff members; 3) Showers; and 4) Newcomers Group with the Clinical Director. ****NOTE: During this period you will be cell fed, no dayroom, no phones, and no yard.****

*****NOTE: During this period, begin looking for a cellmate. You are expected to be double celled by the end of the Orientation Period (fourteen days), unless a Classification Committee deems otherwise. This is considered part of your program, as well as all individual treatment plans.*****

When the evaluation period is over, you will be seen by the Unit Classification Committee and the EOP Interdisciplinary Treatment Team. You will be advised of your acceptance or rejection to the program at that time.

3. WHO MAKES UP THE TREATMENT TEAM?

The IDTT is made up of the Program Director, EOP Psychiatrist, all the EOP Primary Clinicians, EOP Psychiatric Technician, EOP Recreation Therapist, EOP Nurse, EOP Correctional Officers, EOP Sergeant, PSU Lieutenant, and Captain.

4. WHAT HAPPENS AT THE TREATMENT TEAM MEETING?

- a. At the Treatment Team Meeting, you will be informed whether you have been accepted into the program or referred elsewhere.
- b. You may ask your classification staff or clinician any related questions.
- c. If you are accepted into EOP, you will be assigned a Primary Clinician at that time, providing that action has not already taken place. She/he meets with you once per week in her/his office, in the EOP Treatment Center, to discuss personal issues of concern to you. Working together, you will develop a treatment plan with goals that address your specific problems.

5. WHAT TYPE OF SERVICES WILL I RECEIVE FROM DIFFERENT STAFF?

- a. Primary Clinician
 - 1) Joint preparation of your treatment plan
 - 2) One therapy session per week in Clinician's office
 - 3) Sixty and ninety day reviews

2. BEHAVIORAL EXPECTATIONS:

The same rules and regulations for your behavior apply in EOP, as anywhere else in CDC. CDC 115's will be given in the same manner as on the mainline for conduct that breaks the rules.

Upon arrival into the EOP program, if you have any concerns about the program, be sure to bring these issues up at your meeting. If you have an emergency and need to contact your family, the EOP Correctional Counselor (CCII) can authorize a call once the emergency is confirmed. After you have gone to committee, you may **then** sign up for a telephone call, and you will be cleared to go to the yard. The A-2B Privilege Group receives one telephone call per month. Your Classification Committee is usually held during the same week as your first Treatment Team. **Therefore, it is to your benefit to attend.**
